

# HIPAA Compliance Pro

Compliance. Security. Peace of mind.

HIPAA Compliance Pro is a standalone covered entity compliance service that includes the core training and documentation requirements your organization needs to meet HIPAA requirements—with the support of the HIPAA Help Desk Pro Team.

**Protect PHI**  
Keep sensitive information safe.

**Meet Requirements**  
Fulfill core HIPAA compliance obligations.

**Show your work**  
Stay audit ready.

**Focus on Clients**  
We handle compliance so you can focus on what matters.

**BACKED BY THE HIPAA PRO HELP DESK**  
Real experts. Real support. Real results.

DBQ never leaves you without the HIPAA Help Desk Pro Team—their expertise is included.

### THE RISK OF NOT BEING COMPLIANT

Even small Covered Entities can face big consequences.

Without the right training and documentation, you could be at risk for:

- ✓ HIPAA violations and hefty fines
- ✓ Failed audits and investigations
- ✓ Loss of patient trust
- ✓ Reputational damage

**Compliance isn't optional. It's essential.**

### DON'T HIDE FROM HIPAA

Having the right training and documentation in place helps you:

- ✓ Meet HIPAA requirements
- ✓ Reduce risk of violations
- ✓ Stay audit ready
- ✓ Create a culture of compliance

**Stay compliant. Stay protected. We make it simple.**

### WHY CHOOSE HIPAA COMPLIANCE PRO?

HIPAA Compliance Pro is a stand-alone solution that gives you the core compliance tools you need—backed by real experts who care.

**With HIPAA Compliance Pro, you get:**

- ✓ Essential training and documentation
- ✓ Expert support from the HIPAA Help Desk Pro Team
- ✓ Peace of mind knowing you're covered

**Simple. Affordable. Effective. Everything you need to stay compliant.**
